I understand that my financial charges for services rendered by Centennial Pediatrics are ultimately my responsibility. Centennial Pediatrics is aware that navigating our healthcare system can be challenging. However, we want our patients to be informed about their insurance coverage. Centennial Pediatrics will attempt to gather and verify the most current information regarding insurance benefits prior to your visit. Benefits can change frequently, and can even be changed retroactively. It is important to know: Do I need a Primary Care Provider (PCP), and if so, is Centennial Pediatrics my PCP? Is Centennial Pediatrics a provider on my insurance? How much is my co-pay and/or deductible? Have I met my deductible? Do I have a separate well care deductible? Does my insurance require that I go to a certain lab to cover the tests? I am aware that this information is vital and I am responsible to understand and confirm my insurance benefits. I have provided Centennial Pediatrics with the correct and current information to assist in verifying my insurance coverage. Understanding insurance benefits can help you to avoid unexpected out of pocket costs.</p> <p>15. I authorize Centennial Pediatrics to run my credit card by phone with my verbal authorization/request.</p>
